Financial Agreement for Cognitive Assessments- Dr. Natalie Reiss.

Professional cognitive assessment services will be provided by Dr. Reiss. The assessment process includes an initial consultation meeting, testing sessions, and a feedback session. Most issues require multiple testing sessions of 2 hours, scheduled on different days. The number of testing sessions is determined by presenting concerns, as well as current responses to tests as they are administered.

Assessments for concerns other than learning disabilities or giftedness (e.g., ADHD, memory impairment, mood assessment, etc.) will be billed to insurance companies. Some insurance companies have limited testing benefits and do not cover the entire cost of a thorough assessment. ***I understand that I will be responsible for any additional costs not covered by my insurance provider.***

Learning disabilities and giftedness (e.g., reading disorders, math disorders, etc.) are not considered medical conditions by insurance companies and are therefore not covered. ***Patients interested in assessments for learning disabilities and giftedness are responsible for all fees described below. These fees will not be billed to insurance companies.***

Each assessment patient is charged a materials fee for costs associated with purchasing testing materials and utilizing electronic administration software. In addition, each patient is charged an administrative fee to cover the time cost of multiple hours of test scoring/analysis, feedback prep, and report writing. ***These fees are not billed to the insurance company, and are the patient's responsibility to pay in full.***

Comprehensive and lengthy reports for special situations (e.g., high stakes exam accommodations for SAT, ACT, MCAT, LSAT, etc., competency/guardianship) will incur an additional rate of \$100 per report writing hour. Again, this fee is NOT covered by insurance.

Assessment Fees:

Initial consultation- \$220

Testing Services- \$170 (per hour)

Feedback- \$170 (per hour, appointment is typically 1.5 hours)

Materials-\$100

Administrative-\$100

Additional report writing-\$100 (per hour)

I agree to cover any testing/assessment costs not covered by insurance, as described above. I agree to pay the materials fee, the administrative fee, and any fees as described above.
